The Echo

Foreword

Once again an eventful year is brought to a close at Black River High School. There are happy memories and sad memories for each of us as we look back over the year. The end of the year is a time for the Freshman to look forward to September and a return to school. For the Sophomore it is just another summer vacation to anticipate. The Junior sees it as his last summer vacation while still a student at Black River. For the Senior it is the final "good-bye." For all it is the end of another year.

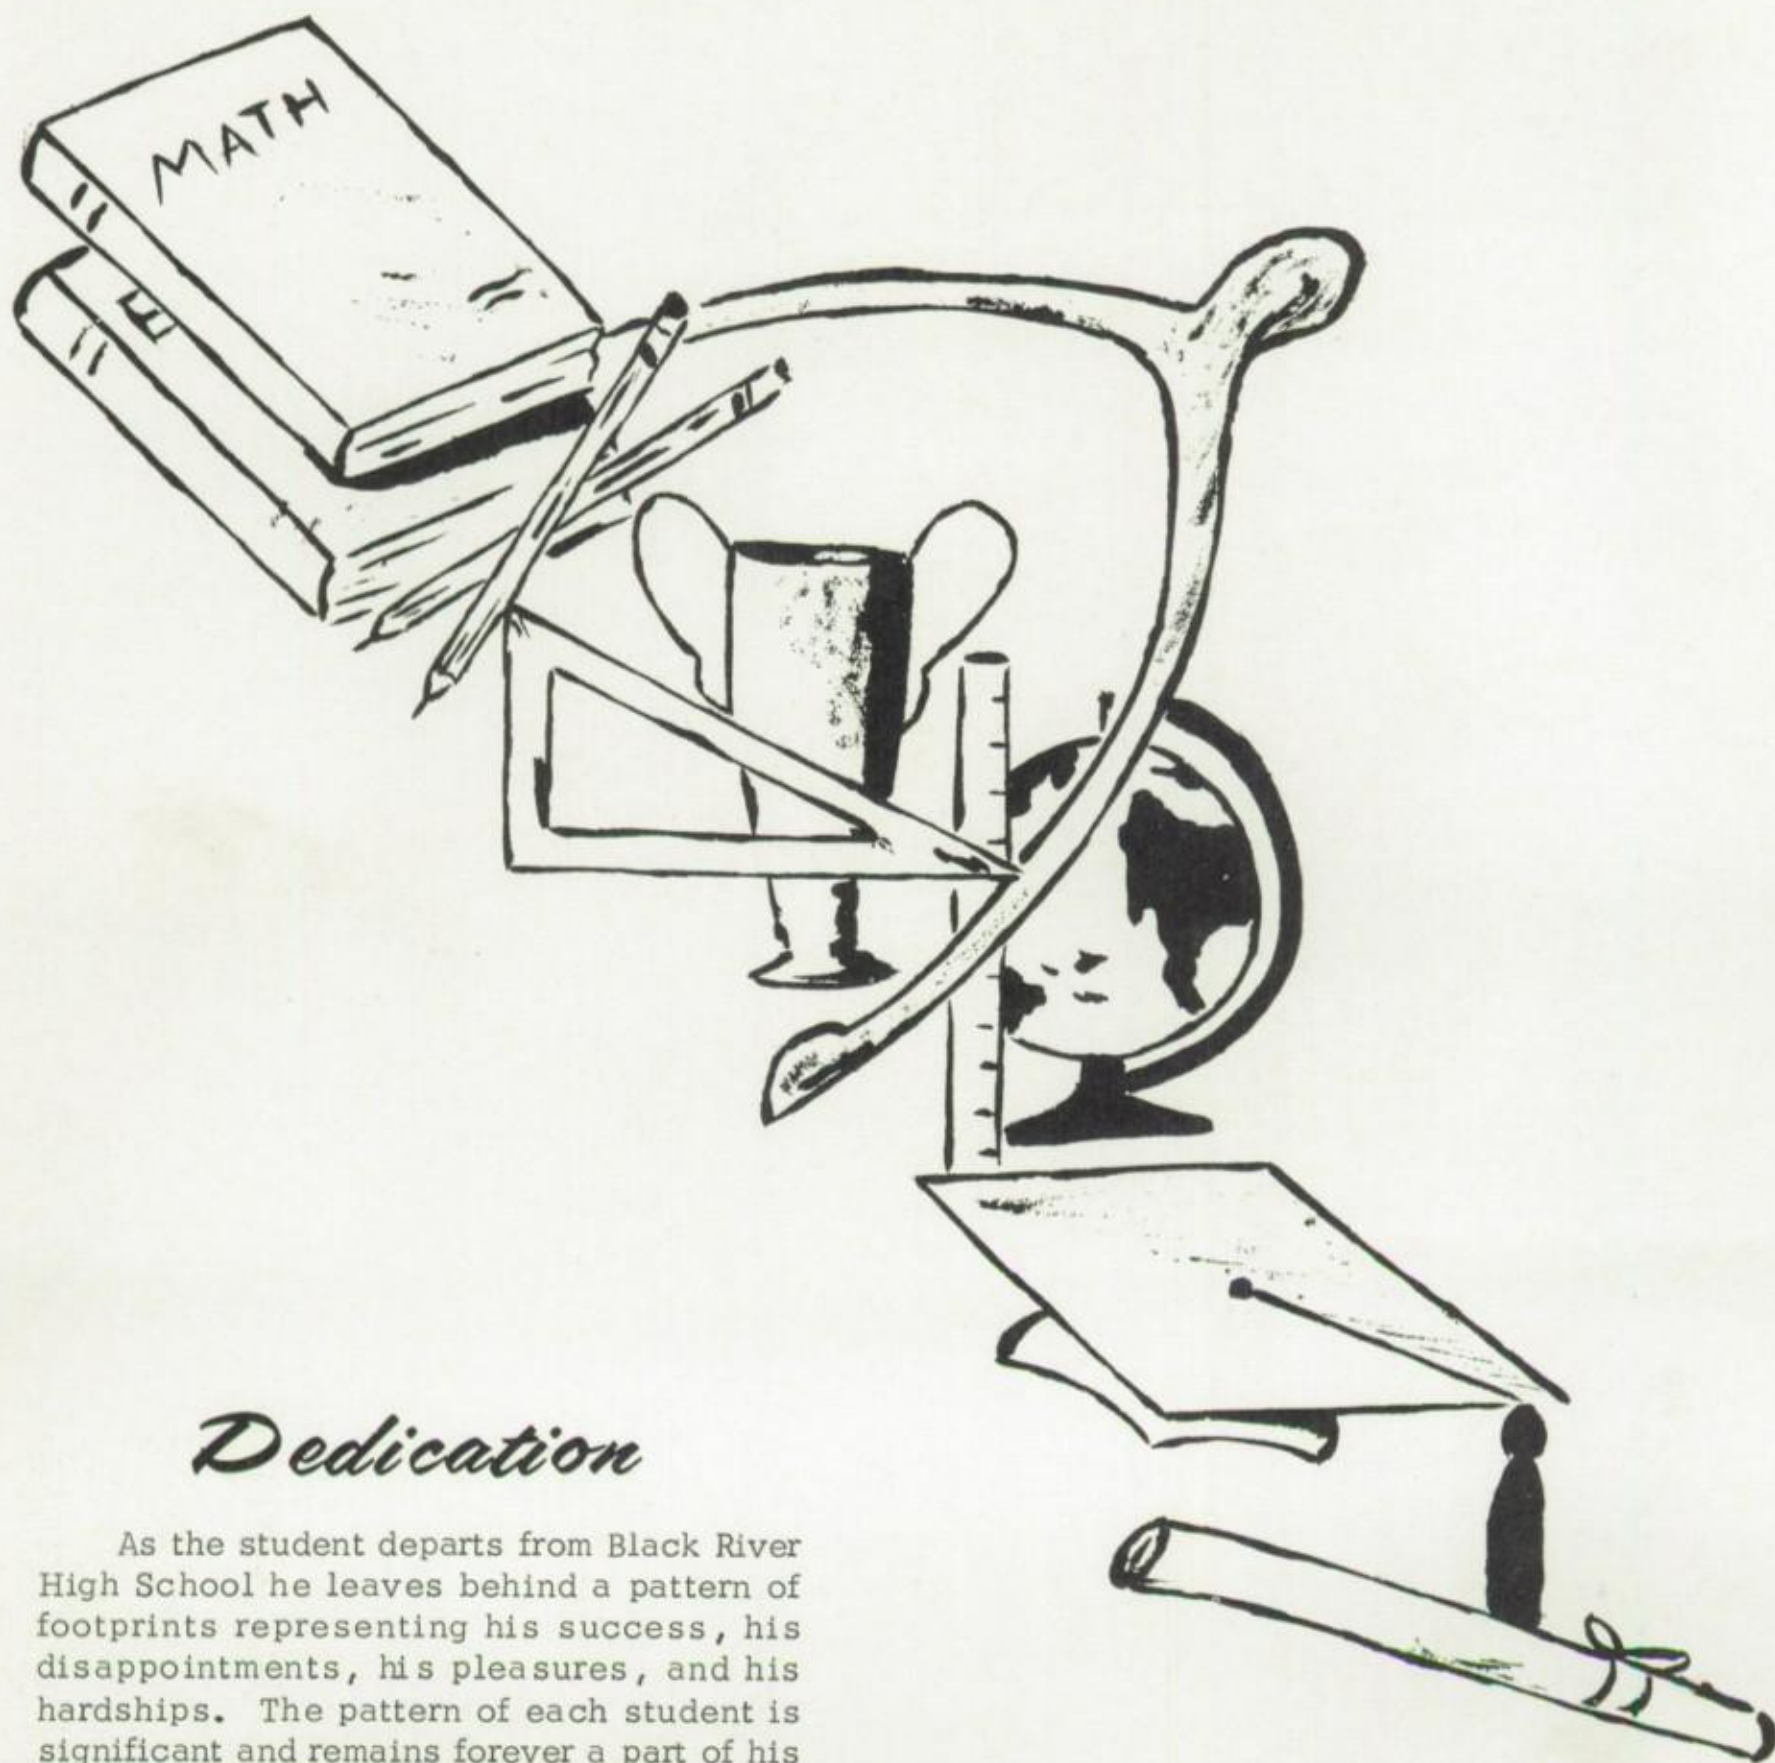

The 1960 ECHO attempts to record these memories for all to remember. The editors wish to take this opportunity to thank anyone who has had a part in producing this year's annual.

Dedication

Dedication

As the student departs from Black River High School he leaves behind a pattern of footprints representing his success, his disappointments, his pleasures, and his hardships. The pattern of each student is significant and remains forever a part of his school. Like footprints his experiences here leave upon his memory an indelible impression which he carries with him through life.

We the co-editors of the 1960 edition of "THE ECHO" hereby dedicate this book to the student body of our school in the hope that it will bring back joyful memories of your school days.

We further hope that these pages will act as a memorial to one of our fellow classmates, Earl Coe.

Homer Senior Class History

In September, 1947, twenty-nine bright-eyed children entered the room of Mrs. Florence Welch at Albion to begin their school career. There are now only ten of the original first grade. They are: Nancy Geiger, Pat Wandel, Bertha Blodgett, Eloise Gentry, Nancy Campbell, Louise Welch, Linda Norris, Jim Rowe, Dick Brooks, and Donald Hoffman.

In the second grade we remained at Albion. Mary Bridgett, June Kravitz, and Louise Howman joined our class. The class was divided between Mrs. Soka and Mrs. Cupp.

In the third grade we were again under the guidance of Mrs. Soka.

For our fourth year we were transferred to the Homer building under the sponsorship of Mrs. Hockensmith. Kathy Weimer joined our class.

In the fifth grade we were again divided, some under Mrs. Hockensmith and some went into the late Mrs. Beatrice Jenkins' room. Jan Reinhardt joined our class this year.

In the sixth grade we were under the direction of Mrs. Cupp. Twenty-five were in our class.

We were now ready to climb the big stairs and enter Junior High School. It was quite an experience to change classes and have more than one teacher for a whole day. We all survived the 7th and 8th grades, however, and were soon ready to enter high school. Eric Kirvel joined our class.

During our freshman year we had Mr. Gottron for an advisor. We made money for our class by selling cards, and stationery. George McWilliams came to us from Lodi.

When we were sophomores we ordered our class rings. We sold pies and cakes at noon to make money. Mr. Gottron was our advisor.

During our eleventh year we had Mr. Gottron as our advisor. We presented our class play "Maybe You're Wrong." We entertained the Senior Class at the annual Jr.-Sr. Prom in Ashland at the Ashland Terrace Hotel. Our theme was "A Song in My Heart."

In the fall of 1959 we became the second senior class to be enrolled under the name of Black River Local School, and as usual we had Mr. Gottron for our advisor. We presented for our Senior Class Play, "Curtain Going Up," under the direction of Mrs. Neiswinter. We helped edit the school annual, "The Echo."

Spencer Senior Class History

In the year of 1948, 45 happy-go-lucky children entered the doors of Spencer School. Out of the 45 that entered, 19 are still in our class. They are: Donald Beach, Bill Benford, Calvin Breyley, Connie Converse, Kenneth Dalglish, Betty Jackson, Dolores Larkey, Jeanne Leiby, John McCourt, Ricky Meyers, John Nagy, Dennis Neptune, Bobby Stroup, Betty Stuart, Sandy Taylor, Mary Walkden, Warren Waltz, Robert Williams, and Larry Wolfe. Mrs. Dickason and Mrs. Clement were our teachers.

In the second grade we had such a large class that we had to be divided into two groups. Mrs. Parrot was the teacher of one class and Miss Lawrence was the teacher of the other. That year, we gained Mary Ann Higgins and Robert Fitzgerald.

In the third grade, our class was still divided. Mrs. Clement and Mrs. Parrot were our teachers. In this grade, we had two more additions, Carol Sutz and Artie Weidrick.

In the fourth grade, we were together again with Mrs. Culler as our teacher. No changes were made in the fifth grade and Mrs. Kime was our teacher.

In the sixth grade, we had Mr. Lizotte, our first man teacher. We were moved to the high school building as there was no room in the grade building. We, also, gained one more member, Sherrell Hovorka.

We were very proud to be in the seventh grade. Mr. Waltz was our homeroom teacher. Our money making project was a bake sale.

Mr. Marker was our teacher in the eighth grade. Carol Elliott joined us that year.

As Freshmen, we decided we were pretty well grown-up because we started to change classes and have different teachers. Mr. Bihn was our homeroom teacher. During our freshman year, we received our school jackets. For a money making project, we sold school pins.

The next year, we were happy sophomores. Again, Mr. Marker was our teacher. Our biggest money making project was the school fair.

Our junior year was a very exciting year. Our teacher was _____, you guessed it, Mr. Marker. We had our first class play which was called "The Beauty and the Beef." Mr. Marker was our director. We had a paper drive which was a big success. We ordered our class rings in the junior year. Our Junior-Senior Banquet was held at the Spring Valley Country Club, May 1. Gary Weidrick became a member of our class. A sad event occurred during our Junior year. One of our members, Earl Coe, was killed in an automobile accident.

Well, here we are, seniors at last, with 26 members in our class. We started our exciting year by soliciting for the annual. Brown Studio, Wellington, made our senior pictures. A paper drive was held as one of our projects. We gave as our class play, "The Angell Brats," directed by Mr. South. We are looking forward to our senior trip, but most of all, we are looking forward to graduation night.

Sullivan Senior Class History

In September of 1948, six eager children walked through the doors of Sullivan School. We, Dean Farnsworth, Ronnie Finley, Rusty Grenzenbach, Okal Messmore, Linda Pifer, and Pat Shoulter, were under the direction of Mrs. Long.

In the second grade Mrs. Livingston was our teacher. There were no additions or losses that year.

In 1950 we entered the third grade and Mrs. Livingston was again our teacher. Betty Orcutt joined us from Seville and Carol Mengerink from Akron.

Dianne Prescantelli joined us in the fourth grade. Mrs. Hellen Cupp was our teacher.

In the fifth grade we were divided into two groups. One group was under the direction of Mrs. Hassinger and the other under the direction of Mrs. Cupp.

In the sixth grade both groups were united into one class again under the direction of Mrs. Clouser.

In the seventh grade Emma Messmore joined us. Miss Duncan was our homeroom teacher.

We had two new members join us in the eighth grade. They were Jean Clinker and Virgil Berry. Mr. Bowie was our advisor.

Our first big step was taken when we entered our freshman year. Norma Britt, Jill Clark, Marilyn Regal, Mike Moskal, Loretta Phillips, Virginia Rollin, and Thelma Weber joined us from Huntington. Drema Britt from Wellington, Ralph Kish, from Ashland, and Jim Bassett from Elyria also joined us in this year. Mr. Snyder was our advisor. In our freshman year we started our annual picnics at Finley State Park. We have had one every year since. We had a hay ride and went to Bassett's afterwards. We also sponsored several bake sales for money making projects.

In our Sophomore year, Andy Liptak joined us from Cleveland. We were under the direction of Mr. Kiliany. We made scrapbooks in World History which required much work and were displayed for open house. We decorated our room at Christmas and got second place in the contest. We had a skating party on Davis' pond and built bonfires around it for wiener roasts. We held our annual picnic at Finley State Park.

During our Junior year Nina Blankenship came to us from West Virginia and Stanley Ward from Belden. We were under the guidance of Mrs. Dougherty. We presented our class play, "No More Homework." It was directed by Mr. Larabee and we spent many long hard hours working on it. Our girls' basketball team played Spencer two games. We decorated and were hosts for the annual Junior-Senior Prom. We spent many long tedious hours and late nights making our Junior-Senior Prom the success that it was. Our theme was "Blue Moon" and the David Rose Orchestra played.

Finally we have reached our long awaited goal, our Senior year. In our Senior year we had many good times. We went on our class trip to New York and Washington. To get the money for this trip we had many money making projects. We edited the annual, sold candy, held dances and took our second step before the footlights in our annual Senior Class Plays "Take a Letter" and "He Tried With His Boots On."

Homer Class Prophecy

In 1970, curiosity finally overcame my good judgment and I started an investigation of the Senior Class of 1960.

The sensible thing to do in order to find the members of a class graduating from Homer, would be to start in Homerville.

In Homerville, I found 9 members of the class.

After making an appointment with DICK BROOKS, who is now a Ford Dealer, I crossed the street and found NANCY GEIGER, who deals with badly used 1959 Chevrolets. Well, competition is the lifeblood of free enterprise.

Directly behind the Brooks agency, I discovered a small garage just chucked full of good things for cars. Above the door hung a sign, "George's Paradise." From under a car emerged GEORGE McWILLIAMS, covered with grease. In behalf of mechanical interests, JUNE KRAVITZ gave a series of lectures on "The Functions of the Transmission," in the Public Auditorium. After arriving, I discovered JAN REINHARDT in the back row intently listening to the lecture. Jan told me he spends most of his time driving through Spencer.

Near the school house, is located the fire department. The fire chief is JIM ROWE. He fights fires loyally, one torch right after another.

Three blocks beyond the fire department I noticed a small, neat white house with a sign on the front lawn. I read "PAT WANDEL, President of the Lonely Hearts Club." Pat has only one complaint about her business and that is the location. The airport in back of her property affords too much noise. I went to the airport only to find LOUISE HOWMAN as the head airline hostess.

After making reservations on a 3:45 flight to Columbus, I went in search of DON HOFFMAN. I found him with a group of boy scouts. Don is a scoutmaster still leading a faithful gang. One of his scouts, I learned, was the eldest son of NANCY CAMPBELL. Deanny, Nancy's son, told me that Nancy teaches the 4th grade at Black River. I went to the 4th grade room to visit Nancy. She told me that BERTHA BLODGETT is the Vice President of Gilbert's Furniture Store. She sits on the President's knee and when he makes a suggestion she quickly says, "Yes, Jimmie."

Nancy also told me that ELOISE GENTRY couldn't take the hazards of teaching the Senior Class of 1965, so she lives on an island in one of the Great Lakes. There were some rumors of an unhappy love affair between Eloise and a commercial teacher, but Eloise denied them.

I left Homerville on the 3:45 flight to Columbus. After checking into a hotel, I decided to compliment the manager on the excellent service. In the office, I found MARY ANN BRIDGETT. Mary told me that KATHY WEIMER is married and she divided her time between her job as a secretary and her husband and their children.

After a visit to Kathy's, I returned to my hotel, to find LOUISE WELCH in the elevator. She was returning to her penthouse apartment. She said that she is currently the secretary to the President of the City Council. Louise stated that, although LINDA NORRIS was touring Europe and Asia, giving concerts in such cities as Paris, London, Madrid, and Rome; she is the Professor of Music at the college of Notre Dame.

Last but not least, I learned that ERIC KIRVEL has been Mr. Universe for the last 3 years.

Spencer Class Prophecy

By 1975, having made a good-sized fortune from my uranium mine on the planet Uranus, I decided to see what had become of the scientific and air-minded class of '60.

I boarded my new Transoplanet saucer and got on the air-freeway that would take me to Saturn.

When I stopped at a fuel station, I thought I saw a familiar face; and surely enough, it was "RICK" MYERS. He had started as a station attendant and is now owner of a whole chain of service plazas.

Upon inquiring about my other classmates, Rick told me that:

KEN DALGLEISH had an experimental farm on Pluto, but he couldn't find anything that would grow there.

JOHN McCOURT, who always wanted to get rich quick, is searching for gold on the rings of Saturn.

DENNY NEPTUNE has just opened a barber shop on the moon, but he said he is going to move to another planet because so far the only customer he had was the man in the moon.

DONALD BEACH is Denny's assistant in the barber shop. He sweeps up all the hair that falls on the floor and ships it to a wig-maker.

BILL BENFORD and SANDY TAYLOR, who have been engaged for fifteen years, are lawyers and as soon as they win a case, they're going to make it a permanent partnership.

SHERRELL HOVORKA is the proud owner of the first drag-strip on Mars. Now she can drag any time she wants and be sure of winning.

DOLORES LARKEY is a third grade teacher in the school right next to Sherrell's drag-strip. Dolores liked teaching the little Martians, but she said her only trouble was that there were no men teachers on Mars.

ROBERT FITZGERALD is a successful ice cream salesman on all nine planets, but he complained that they don't make the "hatches" on these new saucers wide enough.

CAROL ELLIOTT, who finally learned to drive, is enjoying life as a lady saucer-driver.

CALVIN BREYLEY, who seemed very shy in school, is a famous interplanetary playboy.

CONNIE CONVERSE, tired of waiting for Bill to come back from the Army, decided to join too, but she was quite disillusioned because she had to be in the women's instead of the men's Army and couldn't be with Bill.

BOB STROUP has started "beatnik" colonies on Jupiter and when he was asked why he chose this particular planet, he said he wanted to get as far away from that "happy" sun as he could.

JOHN NAGY, who seems to like blondes, has opened a peroxide factory on Neptune when he heard that all the women there have dark hair.

MARY ANN HIGGINS, who always liked to be up in the air, is head-librarian on the thirty-first floor of the new Skyscraper Library on Mercury.

ART WEIDRICK and BETTY STUART plan to be married, but Betty is making her own wedding dress and it seems she just can't get it finished.

MARY WALKDEN is still on good old Earth because Tom gets air-sick and she can't bear to leave him.

CAROL SUTZ is a successful nurse on Saturn, but she is considering moving to another planet, because she hasn't any rich patients.

LARRY WOLFE has started a dance studio on several of the planets, but he said all his pupils could learn were "square" dances.

BETTIE JACKSON is a successful newspaperwoman on Venus. The people can't read our language, but they were wild about the pictures.

ROBERT LEE WILLIAMS is the owner of a Gulf Station, but he does not get much business since cars are practically extinct.

GARY WEIDRICK is rapidly gaining fame as a butcher on two or three of the planets.

Last, but certainly not least, WARREN WALTZ is playing on that famous basketball team, the Harlem Planet-Trotters.

Sullivan Class Prophecy

"Sullivan Graduates Make Good"

VIRGIL BERRY is now the star of the Peter Gunn series and NORMA BRITT is co-starring as Edie.

On the Bob Cummings show we find DREMA BRITT as a model.

JILL CLARK is still mopping up floors at the Huntington United Church. She is married to a well-known carpenter's son.

JEAN CLINKER, the Champagne lady of Lawrence Welk's Band, is now back in Sullivan.

DEAN FARNSWORTH, a retired millionaire, was recently vacationing on the French Riviera, with his wife.

Recently a visit was paid to Sullivan by NINA BLANKENSHIP, World's Champion Lady Wrestler.

After being star athlete at Black River High, we find RON FINLEY head coach at Ohio State University.

Vo-Ag teacher, RALPH KISH, was recently visited by the reporters of the Unsuccessful Farming Magazine.

OKAL MESSMORE, the Senior Class Advisor at Black River High, has just announced her engagement to JIM BASSETT, school custodian.

CAROL MENDERINK is a member of the Lady Globe Trotters, but often is put out of the game because of fouls.

The town mortician, MIKE MOSKAL, is driving around town with the mayor's daughter in his black Cadillac convertible.

In the heart of Africa we find missionary ANDREW LIPTAK converting the natives into "beatniks."

Former owner of the Sullivan Garage, CHUCK WARD, has retired after making his first million.

LINDA PIFER and RUSTY GRENZENBACH, physical education teachers of Black River High have started teaching yogi to all the girls.

Winning the World's cup for Championship Deep Sea Diving is a reward for BETTY ORCUTT since she loves "marine" life.

VIRGINIA ROLLIN is a happily married farmer's wife and still resides in Huntington.

Recently on leave we find DIANNE PRISCANTELLI now a commanding officer of the W.A.C.

MARILYN REGAL is now self-employed at her own beauty shoppe in Lodi.

EMMA MESSMORE is now head food taster at General Mills.

Along with raising a family LORETTA PHILLIPS is also a cook at Huntington school.

Supervisor of the nurse's staff at Ashland Samaritan Hospital is THELMA WEBER.

PAT SHOULTER is now an air line hostess for TWA and is trying to ground a pilot.

Now we will put this item in our scrapbook and look at it from time to time with fond memories of our good friends.

Homer Sr. Class Poem

Bertha Blodgett, that cute little chick
The girl who made our Homecoming click
She is sweet and kind-hearted,
And would cry if, from Jim she were parted.

Mary Bridgett is quite a lass
She's the secretary of our class
She's good and has a kind heart
And from her we'll all hate to part.

Dick Brooks is our basketball star
We owe him very much by far
He is a happy-go-lucky fellow
And with Roberta he is very mellow.

Nancy Campbell is small, but mighty
And you'll find she's very tidy
She plans to enter the teaching profession
And we all know this is no obsession.

Nancy Geiger is quite a gal
Whom we all think is really swell
She'll always greet you with a smile
And you'll find she's happy all the while.

Eloise Gentry is quite a singer
She plays the drums and hits the stinger
She plans to go to Kent next fall
And with her go best wishes from us all.

Don Hoffman is quite a guy
He has a laugh that money can't buy
He doesn't want to be a knight in shining
Armor
He just wants to be a plain old farmer.

Louise Howman is so kind and sweet
A pleasure to know and a joy to meet
Quiet and nice in all her ways
We'll remember her the rest of our days.

Eric Kirvel, a boy we all know
Someday hopes to be a ping pong pro
His marks are good and his aim is high
He succeeds in his every try.

Now for the small fry of our class
June Kravitz, no one could surpass
She may be little in size
But we all think she's mighty nice.

George McWilliams comes next to mind
A character like him is hard to find.
Dragging is his favorite game
To graduate is his only aim.

Linda Norris is known to all
She usually studies in study hall
Her talent in music is far above par
And with her career we hope she goes far.

Jan Reinhardt, the guy whom each one of us knows
Has a wisecrack handy wherever he goes
He's always goofing in the hall
He thinks that life's a regular ball.

Jim Rowe is an ambitious lad
Concerning his looks, they are not at all bad
To most of us he is no stranger
He someday wants to be a forest ranger.

Pat Wandel is a girl and a half
She's co-editor of the newspaper staff
A secretary she wants to be
And sit on some handsome boss's knee.

Kathy Weimer is quite dandy
She likes to make sugar candy
She loves to cook and to sew
And would hate to give up Bob, her beau.

Louise Welch is a cute little lass
And this fine girl completes our Senior class
In business she plans to seek a career
And we wish her the best from year to year.

Mr. Gottron, our class advisor
Has seen us through four years and made us much
Wiser
He's friendly, kind, and full of cheer
And we are sorry to say that our parting is near.

Spencer Class Poem

Donald Beach, who is first on the list,
From the classroom he is never missed.
He's always happy for 3:45 to come,
So he can don his coat and hurry home.

Bill Benford is the next in line,
At playing basketball he's just fine.
Ask him where he likes to park his feet,
He'll say "a certain house on Liberty Street."

Patrick Myers, better known as Rick,
Out of sports gets quite a kick.
Around the girls he's rather shy,
But really and truly he's quite a guy.

Now there's John Nagy, tall and thin,
No one gets the best of him.
In sports activities you will find,
That he is quite athletically inclined.

Calvin Breyley, third in line,
A better student is hard to find.
His aims are high, his marks are good,
And he usually does the things he should.

Connie Converse is number four,
And a blue-eyed blonde, like men adore.
In typing class, she is very fast,
As a secretary, she should be first class.

Ken Dalgleish, the tallest of all,
Likes best of all on Annie to call.
And often times he's heard to sigh,
"Why, oh, why can't I go to Buckeye?"

Carol Elliott whose eyes are green,
Was chosen as our homecoming queen.
All who know her thinks she's swell,
Whatever she does, she does it well.

Robert Fitzgerald is our ice cream man,
He eats all the sundaes and drumsticks he can.
From doing his lessons, he likes to shirk,
And it takes much effort to make him work.

Mary Ann Higgins says she wants to fly,
And be a stewardess up in the sky.
She'll get her man up there, we know,
And then through life, together, they'll go.

Next is Sherrell, tall and fair,
She and Jan make quite a pair.
Here is one that we won't forget,
For we'll all remember her as head majorette.

Bettie Jackson will graduate with us,
She's always friendly and very ambitious.
She works very hard for the F.T.A.
In hopes that she'll be a teacher someday.

Dolores Larkey, often called Dee,
A very good teacher she's certain to be.
One thing she is anxious to know,
Just how fast her Dad's car will go.

Jeanne Leiby with her ready smile,
Hopes some day Mike to bequille.
In school she is very steady
And with a helping hand is always ready.

John McCourt, who everyone knows well,
Has big ambitions to hear him tell;
But in study halls, he's not so serious,
And talks until the teachers are furious.

Dennis Neptune with his casual air,
May be found almost anywhere.
Especially in Wellington he is often seen,
Going to visit his girl, Charlene.

Bobby Stroup is fast with the jokes,
And sometimes the teachers he provokes.
But we definitely know, he means no harm,
For Bobby's really full of charm.

Betty Stuart has been here all twelve years,
She's known for the way she helps lead the
cheers.
Having a home is her special ambition,
Where she can cook meals for Artie in her
shiny new kitchen.

Carol Sutz has an academic mind,
A better student would be hard to find.
Someday a nurse she hopes to be,
And find a job in some nursery.

Sandy Taylor, a dark haired lass,
Is always a favorite in our class.
She'll cheer for the team and we know why,
Several points were just made by her special
guy.

Mary Walkden who is shy and serene,
Wishes that she was at Bowling Green.
In all of her classes she does quite well,
She'll be a success, that you can tell.

Warren Waltz, a college prep,
In all classes, he is really "hep."
In all sports, he just soars,
As he helps run up the score.

Artie Weidrick is full of fun.
In Betty's affections, he's next to none.
He's at his best on the football field,
When the opponents see him coming, they all
yield.

Another Weidrick is a guy named Gary,
After school he does not tarry.
He jumps in his car and heads for the store,
To grind the hamburger when you need more.

Robert Lee Williams is often seen
Going places with a girl named Jean.
A car mechanic he hopes to be,
Then settle down with a family.

Larry Wolfe, it is hard to say,
Just what he will do someday.
But knowing Larry as we do,
He'll not give up till his dreams come true.

Sullivan Senior Class Poem

First is Jim Bassett, who is quite shy,
But for all the girls he does try.
He says he's going to try his best,
To travel all the way out west.

Virgil Berry is quite a lad,
You never see him when he's mad.
The teachers give him awful looks,
When he gets out his hot rod books.

Next is Nina Blankenship with her southern
drawl,
We like the way she says, "Hi ya all"
She drives her car all through the day,
She lives her life in a carefree way.

There is a girl named Drema Britt,
With all the kids she's a hit.
There is one thing she likes to buy,
And that is clothes that catch her eye.

Norma Britt has long blonde hair,
As for her complexion-it is fair.
She is the quietest girl in the class;
We all think she's quite a lass.

Here's Jill Clark, short and thin,
Goes about with a little grin.
We wish her happiness and all she'll need,
For she is really and truly a friend,
indeed.

Now Jean Clinker who's on the beam;
To see a mouse she'd surely scream.
She's always carefree, happy and gay,
We hope her wishes come true in every way.

Dean Farnsworth, one of our best looking
guys,
Finds it easy to catch all the girls eyes.
When he plays basketball he's real neat,
For with him playing we're harder to beat.

Ron Finley is our boy,
He thinks school's a little toy.
We would be wrong if we said he was calm,
For as a football player he is a bomb.

Rusty Grenzsbach, with eyes of blue,
To our class shall be true.
You'll always find him in a crowd,
As a member of our class we are proud.

Ralph Kish, whom we all know,
Always seems to be on the go.
He does the chores and runs the tractor,
But chasing girls is his main factor.

When Andy Liptak came our way,
He drove from Cleveland all in a day.
He came with wise cracks and new words,
Some of his lingo is for the birds.

Carol Mengerink is our all.
And with us kids she has a ball.
In her dancing she has the beat;
We all think she's real neat.

Emma Messmore has bright red hair,
Her complexion is freckled, yet is fair.
Her sister and she like to dance and sing,
Rock and roll to her is the thing.

Okal Messmore with clarinet in hand,
Adds a little something to our band.
When she gets mad and starts to spout,
Look out buddy, she'll chew you out.

Mike Moskal is the guy,
Who for the girls he has an eye.
He laughs and giggles then he grins,
Say, "Who's that girl that just walked in?"

Betty Orcutt, walking down the hall,
Seems to laugh at nothing at all.
She never has a gruesome day;
She's just good-natured, we all say.

Loretta Phillips who likes to sew,
Really makes her machine go.
There aren't many things that she can't make,
Except, of course, a little ole' cake.

Linda Pifer cheers with ease,
Her task, the school to please.
We all think she's pretty great,
And glad to have her as a classmate.

Dianne Priscantelli has a long, long, name.
But we all like her just the same.
With her black hair and her dark brown eyes,
She's a hit with all the guys.

As secretary of our class,
Marilyn Regal is the lass.
When she goes to a record hop,
She is chosen the cream of the crop.

Virginia Rollin likes to drive,
Although late, she does arrive.
She handles the car with the greatest care,
At 35 miles an hour she always gets there.

Pat Shoulter with her wild, wild, tricks,
Usually ends up in a great big fix.
Even though she whispers too loud,
We're all glad she's part of our crowd.

Chuck Ward drives a white convert.
All he knows is how to flirt.
He has his eye on a certain girl,
She seems to have him in a whirl.

Now we come to our last pal.
It's Thelma Weber a real nice gal!
At playing checkers she's real neat.
But we all know she wins and also gets beat.
